Mr Rob Killeen
Capital Fortune

To Whom It May Concern:

I have been working with Capital Fortune for a few weeks to re-mortgage my home and my investment property.

I am totally wowed by the service, attention and detail and professionalism of the staff, particularly Rob Killeen.

They take the time to really find out what you need, want and even go that extra mile to get you as a client to think about both short and long term likely future property and financial plans.

I am now a firm fan of this emerging leader in the industry. As a property investor, this kind of service is essential to me, in safeguarding my prosperity and financial flexibility.

They really know their stuff and this gives me huge confidence in placing business with the company.

I have used several other mortgage brokers in the past, if any of them had given me this level of service, I would not be moving to capital fortune.

I urge others to do the same; you will be pleasantly surprised.

Yours Sincerely

Simone Plaut
